APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application, free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use be kept. The State retains the right to regulate the use of the water herein granted at any and all times.

No consumptive use of water is allowed under this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 10.0 cubic feet per second.

Work must be prosecuted with reasonable diligence and be completed on or before September 27, 1985

Proof of completion of work shall be filed before October 27, 1985

Application of water to beneficial use shall be made on or before September 27, 1988

Proof of the application of water to beneficial use shall be filed on or before October 27, 1988

Map in support of proof of beneficial use shall be filed on or before \_\_\_\_\_

Completion of work filed NOV 5 1986 IN TESTIMONY WHEREOF, I PETER G. MORROS,

Proof of beneficial use filed NOV 5 1986 State Engineer of Nevada, have hereunto set my hand and the seal of
